- **Cost Cutting.**
- **Life time Gurarantee.**
- **Use the Polypore Toner Save your printer life & Money.**

Business System & Solution also providing HP toners, cartridges, Scanners, Printers & Accessories Since 2007 in corporate sectors.

We offer best result with money back Guaranty. Our profile of satisfied customer range from. Pharmaceutical, Education, Institution, Banks, Multinational Organization, News Paper, Desktop Publisher, Lawyers, Accountants, Financial Markets and Private Firms.

RE-MANUFACTUR TONERS (RE-CYCLE)

Business System & Solution has been working since 2007, brings you a well tasted and proven technology to recycle toner cartridges for your laser printer with Unconditional Warranty.

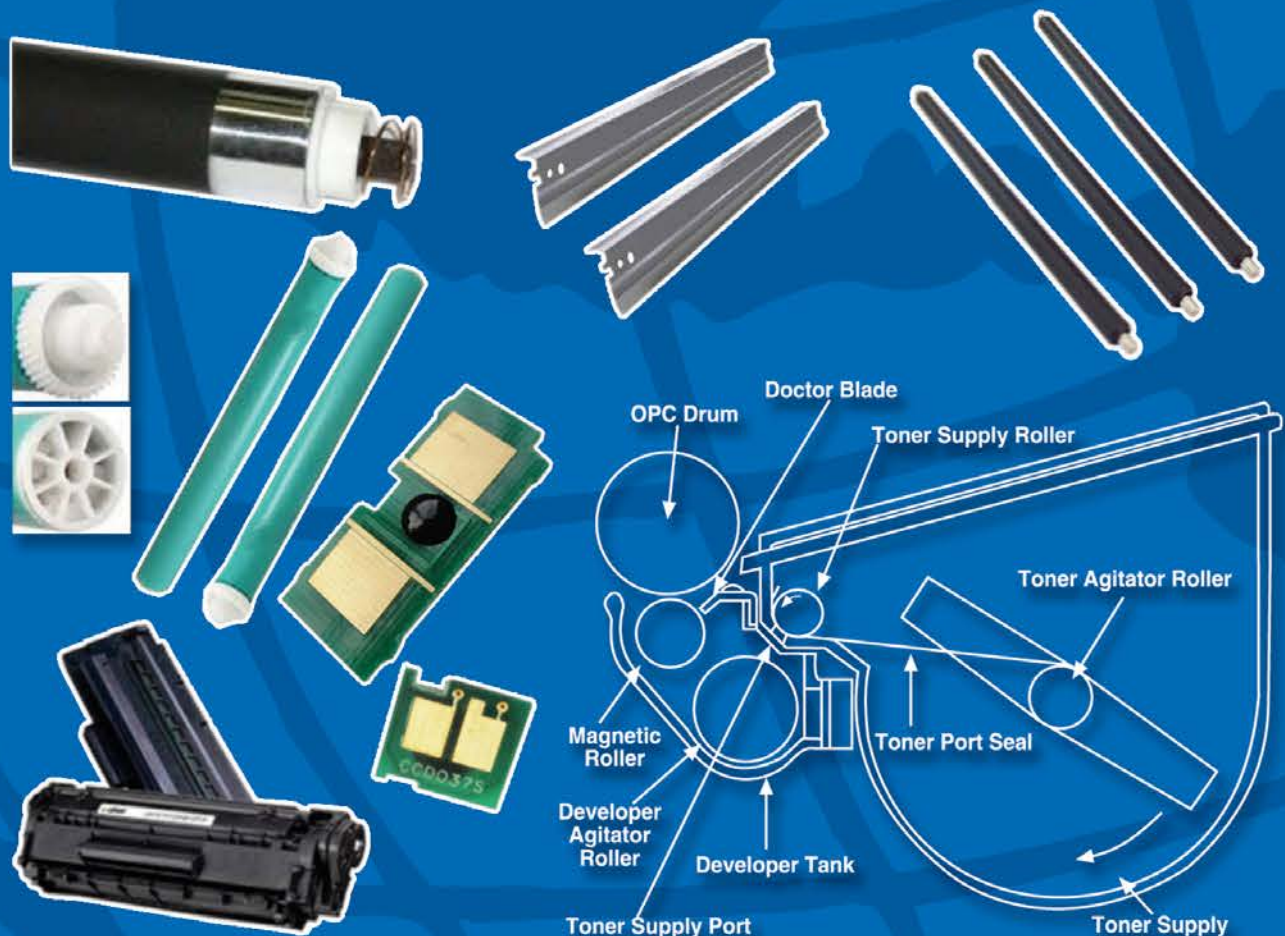

Business System & Solution replace all parts in re-cycle toners, like as drum, maganatic roler, pressure roler, viper Blade, electronic circuit, just we use only plastic case of toner. **Business System & Solution** is also providing free replacement warranty & Life time Guarantee.

Typically, toner cartridges will take 1800 to 2000 prints before the cartridge runs out of toner, instead of throwing it away you can now get it recycled by **Business System & Solution** well experience qualified technication.

You must be aware that the toner cartridges are very delicate and sensitive to handle and most of the toner cartridges are mishandle during and resulting is wastage of your money and counties valuable foreign. That is why more officers in Japan, England, USA, and other countries find recycling a reliable and less expensive preference to throwing out empty cartridge creating pollution.

The cartridges are Disassemble by especial equipment's and tools, toner residue and are removed from parts are change. Adjustment is made and finely tuned to original factory's specification and testing in our printer before delivers.

We offer best result with money back Guaranty. Our profile of satisfied customer range from. Pharmaceutical, Education, Institution, Banks, Multinational Organization, News Paper, Desktop Publisher, Lawyers, Accountants, Financial Markets and Private Firms.
